- In Tailor coaching, you get a personal Career Planning and Job Search Tailor, with whom, according to your wishes, e.g. you contact employers, look for study options that suit you, apply for work try-out or training try-out places, etc.
- Your Tailor also helps you find other services, which you feel you need, to support your progress, and is there for you throughout the service and for example, during a work try-out or when you start your studies or employment.
- You will set your own personal goals for the service together with your Tailor. Your Tailor offers you strong support and guidance according to your needs towards your goals.
- Depending on your situation, the coaching may provide you with information on job-rich sectors; offer you career counselling; help you apply for jobs or work try-out positions with the help of your Tailor's employer tips; assist you to prepare a skills-oriented CV and cover letter; offer you guidance on the most effective job search channels and practices and the best tips for job interview situations and telling employers about yourself.
- You can map and identify your skills and strengths under Tailor's guidance using the ForeAmmatti and Redi online tools.
- With your Tailor, you can visit interesting workplaces or educational institutions and search for studies.
- Our employer contacts are at your disposal and, if you wish, your Tailor can introduce you to employers.
- The goal is that the coaching provided by your Tailor helps you take the next step in your career path towards employment.

**Sign up through your TE service specialist or your personal coach at the Local government pilot on employment.**

The duration of the service is according to your situation and needs, but a maximum of 6 months.
