

# Job search training

- Oulu

Do you feel like your job search is going nowhere? Or perhaps you have little experience in job hunting and would like some tips on how to get started?

Join our job search group to update your job search skills!

## IN OUR TRAINING YOU WILL GET

- **up-to-date information** about the labour market and effective ways to apply for a job
- **help and ideas** for identifying your own **skills** and putting them into words
- good tips for writing **CVs and cover letters**, for example using AI
- **individual guidance** from a skillful coach, as well as **peer support** from the group
- support and training for dealing with different communication situations in job search
- **the opportunity to get a job interview**

If necessary, we can provide you with a computer and internet connection for the duration of the training. During the training, you also have access to our easy-to-use online learning environment Redi, where you can find versatile self-study material for **all stages of the job search** (available for 6 months).

## GROUP SIZE

5-15 people

## WHEN

We meet 5 times within 3 weeks (35 hours in total). In addition, you will have coaching discussions with your coach and do agreed-upon tasks to advance your job search independently.
